The different workshops will be partly crowdfunded through separate campaigns in different Countries. We mostly work with social capital, but some financial crowd-support is very welcome and needed:

1. **EPIC-floats**, *USA/GB, kickstarter, 5000 US-$*
2. **Bamboo-domes**, *(Asia? Brasil?), 2000 US-$*
3. **Island design**, *Europe, indiegogo, 3000,- €*
4. **DIY island-apps**, *open for partners & sponsors*
5. **Decentral projects** *with related perspectives can benefit through cooperative action/campaigns.*
